Notes

2:18-20 Enduring _____ treatment pleases _____.

2:21 Our calling is to _____ like Christ _____.

2:22-25 Christ left a picture of _____
to unjust treatment..._____.

The calling of our lives is to follow in the footsteps of Jesus...loving like He loved...speaking as He spoke...and even responding to mistreatment in the same way He did. In fact, it is within the context of the darkness of suffering that our faith, hope and love shines through the brightest.

What this requires of us is trust...trust in His justice, not ours...His power over our natural impulses...His righteousness in us, not our manmade righteousness...and His protection of our souls no matter what the earthly cost of our submission.

The question is not if He is *worthy* of our trust but if we are *willing* to trust.

What are one or two lessons that God is showing you or reminding you of this morning?
