

WHAT ARE YOU WEARING?

Colossians 3:5-17

Notes

:5-11 _____ of your old wardrobe of
_____.

:12-16 Start _____ like the new _____.

:17 Show off the _____.

Sometimes getting dressed can be time consuming. You've got to figure out what fits, if it matches and looks good, and what's appropriate for the occasion. You might even end up changing your outfit once or twice before walking out the door. Our daily habits and tendencies deserve similar reflection. We have been called not to just throw any old thing on but to put on a specific wardrobe. The internal transformation of every believer was meant to show up on the outside. The old you is out of fashion. Stop dressing that way!

The new you shows off the latest styles of love...kind kicks...humble hats... gentle jeans, etc. As we show off these amazing threads, the One whose closet we raided deserves all of the credit. The new you was meant to walk the red carpet, be on display, and be so distinct that others will ask "Who's the designer?" That's when we can simply say that it was "made by Jesus".

What are one or two lessons that God is showing you or reminding you of this morning?
