

The Really Supreme Court

A photograph of the United States Supreme Court Building. The building features a grand portico with eight tall, white, fluted columns supporting a triangular pediment. The pediment is filled with a relief sculpture. Above the columns, a frieze contains the words "EQUAL JUSTICE UNDER LAW". The building is set against a clear blue sky. In the foreground, there are wide stone steps leading up to the entrance, flanked by two large, seated statues on pedestals.
