[Luke 10:38-42](#) by [Rick Myatt](#)

Getting distracted can be dangerous when you are driving. Or it can simply result in lost time as it did for us last night. But we can also get distracted in living our lives. Distraction can lead to all kinds of problems in life. Today we will see an example of that as we look at Luke 10:38-42. Let's think about this passage in the context of this series of sermons that are about simplifying our lives.
